
Network for Urban Agriculture, Landscape Justice and Migrants Inclusion: Practices and Strategies of Integration (URBAMI)

2nd International Workshop

Southern Sun Hotel, Dar es Salaam

Tuesday 29 October 2019 at 9.30

The 2nd Workshop of the **Network for Urban Agriculture, Landscape Justice and Migrants Inclusion: Practices and Strategies of Integration (URBAMI)** will take place at the **Southern Sun Hotel** on Tuesday **29th of October** at **9.30 a.m.**

The workshop is supported by the Global Challenges Networking Funds through the Academy of Medical Sciences and aims to foster collaborations among institutions from Europe, South America and Sub-Saharan Africa, in identifying ways that urban agriculture can contribute to the inclusion of migrants and disadvantaged groups in cities, promoting social cohesion, well-being and employment opportunities.

The workshop will provide the opportunity to participants to share their thoughts and experiences and learn from each other.

Workshop programme

- 9.30 -10.00 Opening/ Introductions
- 10.00-10.45 Overviews of the Project
- 10.45-11.00 Coffee break
